

KLK Climbing Bracket:

- KLK allows formwork heights up to 24'
- Safe and easy connection of Imperial wall formwork
- KLK saves crane time: Wall formwork and KLK (with slide carriage) can be lifted together as one unit
- Can also be used for single sided walls up to 8'
- Can be used just as working platform (7'-8" wide)
- Formwork slides back 2'-3"
- Bottom Extension for a work platform
